ABOUT FREMONT MARINE

FREMONT MARINE established in 2015, is the ISO 9001 & ISO 45001 certified company. Our commitment is to offer our clients peace of mind – at sea, offshore and onshore. It is about reliability, trust and partnership, which are vital for the industry we operate in.

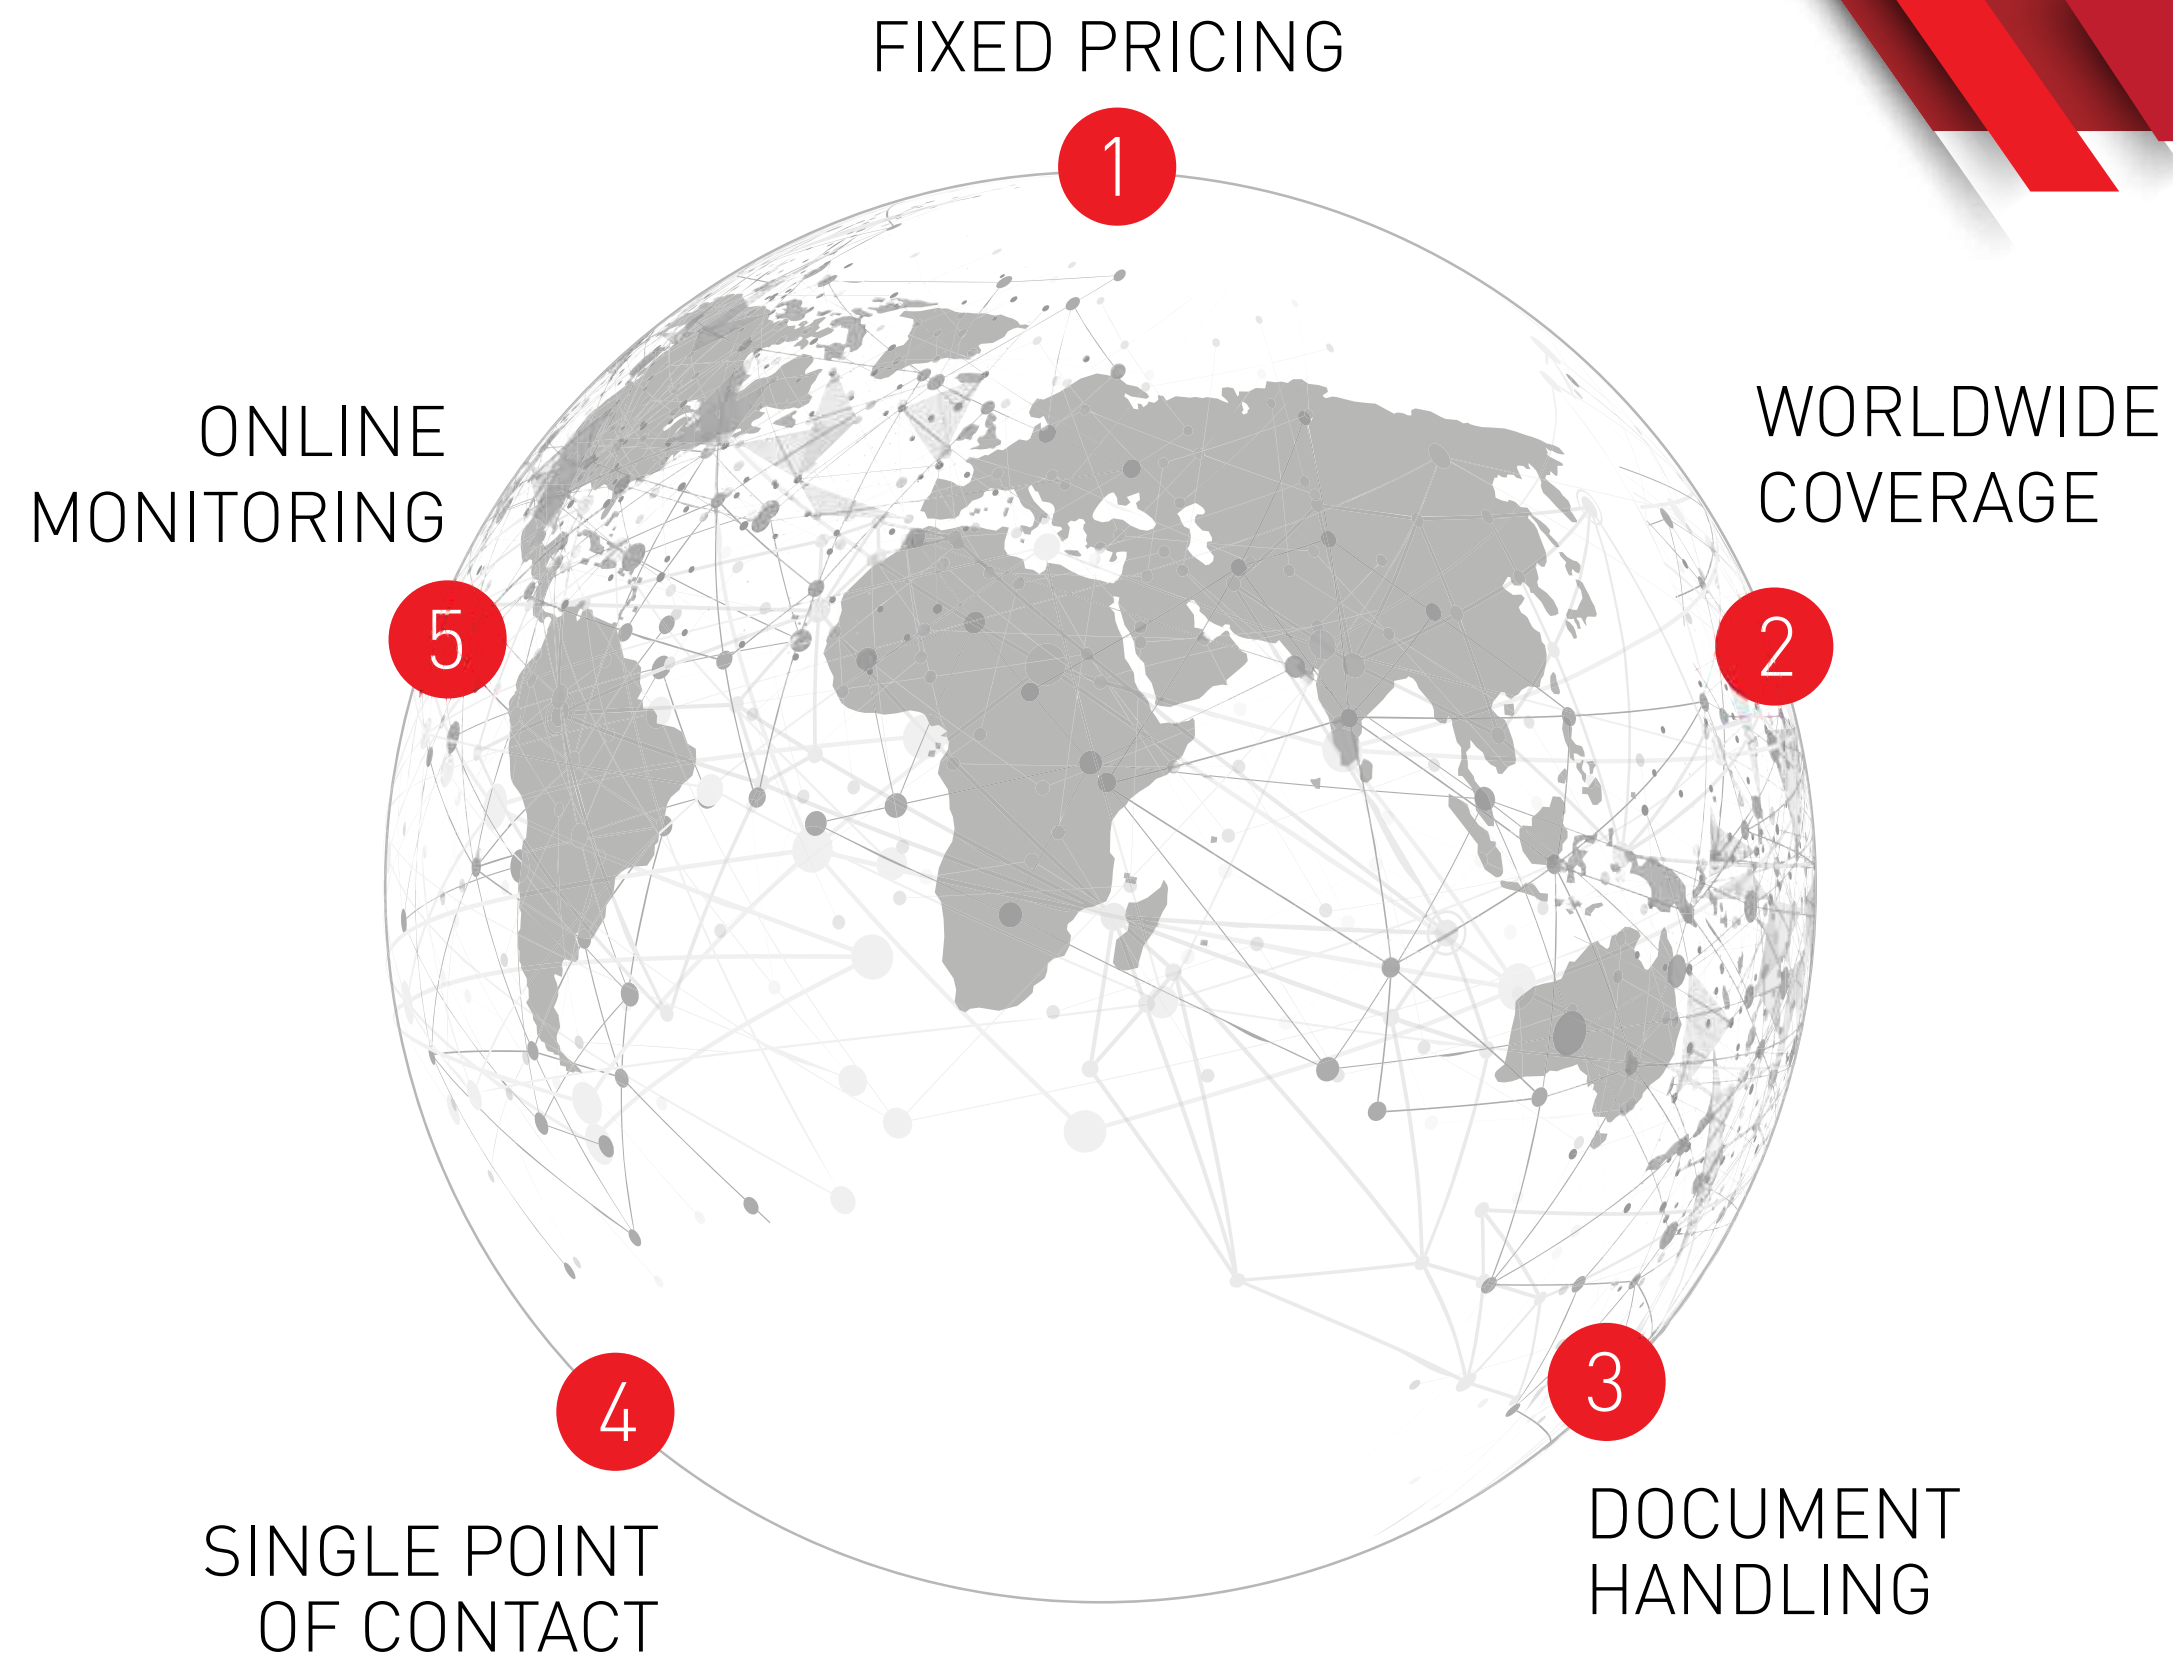

It is about the peace of mind you have when you know that someone you trust is taking care of you.

We at Fremont Marine are committed for excellence in safety of mariners at sea.

A PROMISE OF TRUST.

SAFETY SERVICES AT YOUR DESK

Knowing how demanding and challenging is to manage safety schedules for ship owners and their operators, Fremont Marine has developed the **Total Safety Services**.

Total Safety Services is a solution created to assist you on coordinating service plans and due dates efficiently and cost effectively, ensuring that your fleet's FRS equipment is always serviced in-time according to the highest standards.

Fixed pricing and worldwide coverage make **Total Safety Services** your trustworthy partner in safety code compliance and cost control.

ADVANTAGES:

- Fixed cost. No surprises.
- One point of contact.
- Due dates monitoring on safety equipment.
- Proactive approach on service calls to secure cost efficiency.
- Service appointment.
- Online certificate portal.

ONLINE CERTIFICATE PORTAL:

Through our Online Certificate Portal you have:

- 24/7 access to your FRS equipment certificates.
- Alerts and notification emails prior to the expiration date of your certificates.
- Unlimited vessels, companies and users under one or more accounts.
