CEO MESSAGE

For past 5 years, Fremont group has been delivering exceptional professional services with dedication and innovation. We have become one of the leading marine supplier and service providers of the Middle East.

We would like to express our sincere gratitude to our business partners and stakeholders who have supported and encouraged Fremont Group throughout this time.

To us, it's essential that we deal with our clients, agents, customers and stakeholders with utmost respect and dedication in order to build strong and long lasting relationships. Fremont

Group has extended its horizon with an extensive portfolio from FREMONT Ship Supplies / Chandler services, Marine Supplies, Marine services- FFA / LSA / Calibration to Engineering, and Industrial Solutions.

We would strive to become the best practising organisation that provides best value to our clients.

Mushtaque Fakhari
Founder & CEO

VISION

A man in a dark suit and glasses stands on a rooftop, looking out over a sprawling city at night. The city lights are visible in the background, and a futuristic, semi-transparent interface with blue and white lines is overlaid on the scene, suggesting advanced technology or data visualization.

We Aim to be the world's largest ship supplier.

Using the latest technology and innovations to support the ever demanding ship supply business.

With the Moto

ALWAYS AT YOUR SERVICE.
365 Days – 24/7

ABOUT US

HISTORY

FREMONT is commitment to offer our clients peace of mind at sea, offshore, and onshore. We believe in reliability, trust, and partnership, which are vital for the industry we operate in.

Established a decade ago with a vision to build strong relationships through highest standards for products and service, and strive for perfection in both.

FREMONT is today has a network spanning over 14 port's along the coast of the United Arab Emirates, Oman and expanding coasts of Shanghai and Singapore soon.

Headquartered in DUBAI, FREMONT provides a one-stop solution for both sales and services and ensures quality solutions; timely delivery of their products and services through a comprehensive infrastructure of manufacturing, supplying, servicing & repairing (over 24,000 sq. ft. of warehousing of all ship supply stores and workshop facilities).

Our dedicated team of qualified and trained personnel ensures the "Peace Of Mind" you have when you know that someone you trust is taking care of you. We enable our customers the freedom to operate, trade, travel, explore, innovate, and excel. FREMONT takes pride in a customer-

centric, a solution-based approach driven by incorporating the latest technologies and decades of experience.

Led by Mr. Mushtaque Fakhari and a strong management team of over 100 professionals and industry experts, FREMONT is the leading ship Chandler in the United Arab Emirates and aims to provide on its experience and expertise top quality solutions through its current service offering and future growth plans in UAE and overseas.

WHY FREMONT?

Our international approach to business is reflected in the differing people of various origins and cultures of our global team. This shows we have ability to understand every customer requirement.

Supported by a strong team with 365 days 24/7 support system.

LOGISTICS MANAGEMENT

As part of our logistics services, clients can send urgent spares in transit for their vessel to us as we arrange cargo clearance and forwarding service for you. We also maintain consignment stock at our warehouse for our customer's fleet of vessels.

ACCESSIBILITY

Our services are available round the clock throughout UAE & other ports in the Middle East both alongside & offshore.

TRANSPORT

We own large fleets of refrigerated vehicles, pick-up trucks and temperature-controlled insulated container to ensure safe and timely deliveries to all UAE ports.

SHIP SUPPLIES IN TRANSIT

We provide clearing and forwarding services and handling of ships stores in transit for all modes of shipment (air, sea, land and courier). Hand-carry service of urgent spares to other countries in the region and storage services for any store items are also available.

SHIP SPARE MANAGEMENT

We offer ship spares management for owners' cargo and allow temporary storage at our warehouse till the vessel arrives at the local port.

Other services include:

- Worldwide forwarding by road, sea or airfreight
- Combination of shipments to minimize transport and destination charges
- Transport of landed spares from vessels
- Accurately label them
- Packing & re-pack whenever necessary
- Reporting all movements
- Perform inventories
- Strip and stuff containers & ensure seaworthy securing
- Handling of dangerous goods formalities, certificates of origin, etc.
- Perform all administrative services & customs formalities from clearance and transit storage to delivery on board.
- Pick-up to combination point or directly by local agent
- Provision/Bonded warehouses

PRODUCTS

FREMONT TEAM

DRY DOCK SERVICES

A large red and black ship is being lifted by a crane in a dry dock. The ship is the central focus, with its hull and superstructure visible. The crane is a large yellow structure on the right side of the image. The background shows a sunset or sunrise sky with orange and yellow clouds. The overall scene is industrial and dramatic.

Our company is registered with Dubai Dry Docks world. The service includes spare parts support, exceptional technical expertise and prompt and swift deliveries. Our representatives are available to assist 24x7 on the vessel. We ensure our clients receive quality service, including quick response from our customer service team. For dry dock enquiries, we provide quotations within an hour with supply within 24 hours.
